Meetings with the State Ministers in charge of Panchayati Raj and evolved by consensus a set of around 150 points for action which have been put together in a compendium that was adopted unanimously at the conclusion of the last Round Table in Jaipur. The Ministry has now initiated a process of visiting each of the State/UT to review with the authorities concerned the progress in implementing the points for action contained in the compendium. It is expected that this will accelerate the pace of implementation of the provisions of Part IX read with Article 243ZD of the Constitution and bring about greater conformity in both letter and spirit, to the Constitutional provisions of Panchayati Raj in all States/UTs concerned.

the States/UTs have been reduced taking into account the number of new LPG connections released in the States/UTs. The States/UTs were advised to rationalize kerosene quota to ration card holders having LPG connections with single/double cylinders and distribute the quantity thus saved to needy people.

(e) Yes, Sir. This Ministry has received representations from various State Governments/UTs for the enhancement of their SKO quota.

(f) An additional allocation of 1,47,399 Metric Tonnes (MTs) of SKO for the period January to March, 2005 have been made to various States/UTs to meet their demand. The Central Government have commissioned the National Council of Applied Economic Research to undertake the first-ever detailed study of Kerosene demand in the country. Further decision with regard to PDS Kerosene will be taken in the light of the conclusions of this unprecedented study.
